PROFILE SUMMARY

CS undergraduate and aspiring Software Developer with hands-on full-stack web development experience in Python, Java, and JavaScript. Strong foundation in data structures, algorithms, and databases, with solid problem-solving skills and quick adaptability to new tools. Seeking an entry-level Software Developer role.

TECHNICAL SKILLS

- Languages: Python, Java, JavaScript, C++, HTML, CSS, SQL
- Web Development: HTML, CSS, Bootstrap, JavaScript, React, Streamlit
- Core Concepts: DSA, OS, DBMS, SDLC, basics of AI/ML
- Tools: Git, VS Code, Linux, debugging, testing, agile collaboration

EXPERIENCE

Software Engineer Intern — SRDT Pvt. Ltd, India

Sep 2025

- Built and enhanced web applications in Python across the full development cycle — requirements, coding, testing, and debugging.
- Collaborated with senior engineers on code quality via peer review and troubleshooting.

Mobile Application Developer Course — L&T EduTech Certified, India

2024

- Built a mobile application applying core web and programming skills under mentor guidance.

AI/ML Intern — SRDT Pvt. Ltd, India

Mar 2026

- Applied basic AI/ML concepts to small Python projects; assisted in data preparation and model testing.

EDUCATION

B.Tech in Computer Science and Engineering

Dr. A.P.J. Abdul Kalam Technical University (AKTU) | Jul 2023 – Jul 2027 | CGPA: 7.5

PROJECTS

Real-Time Sign Language Translation System

- Web app converting live hand signs from webcam into text and speech, using computer vision, lightweight ML, and a responsive frontend.

AI Sales Voice Assistant System

- Voice-based assistant using speech recognition and NLP to handle customer queries, share product details, and automate sales tasks.

Digital Detox Nudge — Screen Time Guilt-Tripper

- App comparing planned vs. actual app usage (manual input) to generate witty, non-preachy nudges.

ACHIEVEMENTS & CERTIFICATIONS

- L&T EduTech Certified Mobile Application Developer
- Summer Training Program on Full Stack Python Development
- Python Full Stack Developer Certification — Udemy

LEADERSHIP & VOLUNTEERING

- NCC Cadet — trained in discipline, teamwork, and leadership; strong collaboration and accountability in team settings.
